Summary: My first digimon songfic! This one's about Puppetmon, and it's a parody of NSync's No Strings Attached (evil chuckle)

    All Strung Up

Parody of NSync's No Strings Attached. I don't own No Strings Attached or digimon, so sueing is a big no-no.
>
BTW, The Digimon is a dance that I made up. Its most noticeable aspect is that the dancer does a pelvic thrust everytime he/she hears "Di".
